

# SPRECHER GESUCHT!

## THE WAHNSINN TAKE!

### Introduction

Hello, my name is [first name last name], [occupation] and I can talk like this:

### Dramatic

Jack had reached the end of the line. He'd lost everything that had ever meant anything to him.

### Documental

But at night, he'll snuggle down in his den and sleep for eleven hours or more.

### Phone loop

Please hold the line, we will connect you to the next available service assistant.

### Thriller/police questioning

You'd better spit it out right now. How else do you think you'll ever get out of here?

### Children's book

He's free, Benjamin! Look! Clixix finally made it! Yeehaaaaw!

### Dead serious essay style

Joy. In this day and age, likely the most overrated emotion in urban arts.

### Naïve/stupidly euphoric

That was so much fun! I will call you. Oh, you're calling me! Great, this is all so exciting!

### Commercial

All new and tasty: [first name last name] at German Wahnsinn.

### Bonus track: foreign languages & dialects

If this is right up your alley, tell us a few nice words in your language or dialect.

Have fun, we are excited to hear your voice!
